

COVID-19 SAFETY TIPS

1. Stay home if you feel unwell:

Avoid others who are sick and stay at home if you are sick

2. Wear PPE (Personal Protective equipment):

Wear masks to minimise risk to your health and safety (if applicable in your State)

3. Practise Safe Hygiene:

Regularly wash hands with soap and water

4. Use Social Distancing:

Where possible keep a safe distance of 1.5 meters apart from people not from your household

5. Ask Clients 5 Key Questions:

When the client answers the door, before you enter their home

6. Seek Medical Care Early:

If you have a fever, cough or shortness of breath, seek to get a COVID-19 test.
